9:40 a.m. – 11:15 a.m.

Reading Discovery Event & Videoconference featuring Mrs. Barbara Bush

A unique reading program provided by:
The Education Department
George Bush Presidential Library & Museum
In partnership with:
Region VI Education Service Center
Junior League of Bryan-College Station
Rotary Club of College Station

The Education Department of the George Bush Presidential Library and Museum is proud to present Mrs. Barbara Bush's Story Time. The Reading Discovery Event and Videoconference will feature Mrs. Bush reading *Wackiest White House Pets*, a book by the author Gibbs Davis. Ms. Davis will encourage reading fun, students will share the thrill of reading from *Millie's Book* written by the former First Lady, and musical storyteller Bobbee Pennington will entertain us with her version of "Millie's Song."

This free event will be a state-wide videoconference for schools who are members of their education service center's distance learning service. Participating schools should submit five questions written by students by April 8. Selected questions will be asked by the students to Mrs. Bush during the videoconference, time permitting! (Selected schools will be notified by April 20th.)

Please note: it is possible that some selected schools may not get to ask their questions due to time constraints.

Have questions ready before registering!!!!!!!!!

Click here to register & submit questions (Deadline-April 8)

****May register up to April 17 if you are not submitting questions.**

Registration form can also be found at:
