The Big Dipper: Beacon of the Underground Railroad

Presented by

***Astronomer & historical storyteller
Ken VanLew***

Astronomer Ken VanLew, captivating historical scientific storyteller, presents an inspiring and exciting narrative about the historical role of the Big Dipper constellation. It highlights the importance of knowledge about astronomy in helping to make history happen with other exciting examples that include the voyage of Christopher Columbus.

The Education Department provides the storytelling programs free of charge. Ask about **free student tours** in the interactive Museum galleries and the new exhibit, "Beyond the Moon: NASA's Continuing Mission."
